Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicant brings to the attention of the
Examiner the document listed on the attached PTO 1449 and respectfully requests that the listed
document be considered by the Examiner and made of record in the above-captioned application.
Unless otherwise indicated, a full text copy of each document is attached. For documents not in

English, an English abstract or an equivalent English language patent or publication is attached. The referenced citation is listed in the accompanying Examination Report and PTO Form 1449. Each item of information in this Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Statement.

Identification of the listed references in the PTO 1449 is not to be construed as an admission of the Applicant(s) or the attorneys of the Applicant(s) that such references are available as "prior art" against the subject application.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited document(s) do not constitute "prior art" under United States law, applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant does not believe that any fee is required in connection with the submission of this document. However, should any fee be required, the Commissioner is hereby authorized to charge any fees to Deposit Account 02-4377.

Respectfully submitted,

Bradley B. Geist
